#### Form 990, Part III, Line 4a - Program Service Accomplishments

Rescue/Transport program - Founded in 2011, Shelter Transport Animal Rescue Team's (aka START Rescue) goal has been to reduce euthanasia rates of adoptable pets in the overcrowded shelters of Southern and Central California. These abused and neglected dogs and cats desperately need safe passage to less populated states where rescue agencies provide the rehabilitation and socialization necessary, and position them for adoption. We address this need by providing, at minimum, monthly transport/relocation (one of two flagship programs) for at-risk animals, linking overburdened shelters in California to START's fully vetted, contracted destination partners in the Pacific Northwest where there is both capacity and demand. In 2022, START relocated/transported 1,094 adoptable pets who have since found wonderful homes, and since START was founded, more than 16,306 animals have been rescued, transported and relocated through this program.
